# ***EXCELERATE V2 Programme***

***Adel Rais' Parents say....***

**We chose to do the Excelerate V2 Programme because we heard that it has been successful and effective for many other children.**

**We find the Excelerate V2 Programme to be unique in the following ways:**

- **Intensive**
- **Daily**
- **Tailored to every child with different needs**

**Thank you Team Excelerate. Adel loves the program!  
He can't wait to go to school next.  
You have achieved in less than 2 months what we  
couldn't do for more than 2 years! Kudos!**
